STOMACH TROUBLE AFFECTED HIS HEART

Could hardly breathe. Eats anything now, and does his farm work. "For years I suffered with indigestion, constipation and accumulation of gas which affected my heart at times so I could hardly get my breath. I lived on raw eggs, toast, bread and hot water, and still suffered. I tried several doctors for three years, but since taking Milk's Emulsion I have improved so that I can do my own farm and store work. Can eat most anything, have gained 10 pounds and everybody speaks of how it has helped me."—A. Henley, Rio Vista, Va., R. 1, Box 157.

MISSOURI IS G. O. P. AFTER SIXTY YEARS

Ten Members of New House to Be Republican Through Landslide. (Special to The Washington Times.) ST. LOUIS, Mo., Nov. 4.—For the first time since civil war days the Congressional delegation from Missouri will have a Republican majority. Late election returns indicate a sweep in the landslide which appears to have given the State to Harding by 100,000 majority, five and maybe six districts seem certain to be added to the five the Republicans carried in 1918.

DEMOCRATS CONCEDE NEW MEXICO VICTORY

ALBUQUERQUE, N. M., Nov. 4.—That the electoral vote of New Mexico will be for President-elect Harding was conceded here today by Democratic leaders. With partial and complete returns from every county in the State except two, Harding has a lead of more than 3,000 over Governor Cox.

CHRISTENS HIS TWINS FOR COX AND WILSON

BALTIMORE, Nov. 4.—James Middleton Cox, Democratic candidate for President, may have lost the election on Tuesday, but he did not lose out, adversely in Baltimore. Despite the hostile political returns, there is one loyal family in high esteem. In that family there is to be a baby named for him. The twin brother to James Middleton Cox will be given the name of Woodrow Wilson.
